Mr. President:— I have to inform Hon'ble Members that the nomination of candidates to the Standing Advisory Committees will be received by the Legislative Council Office before 12 noon on Tuesday the 6th of August 1935 and the elections if necessary will take place after question time on Wednesday the 7th of August, i. e., day after tomorrow. The rules regarding the formation of these committees have been published in the last Gazette.

Mr. E. P. Bhaskaran Menon:— On a point of information, how are the nominations to be given ?

Mr. President:—There should be one proposer and one seconder. The usual practice is this. The nomination paper must be by a proposer who would say that 'I propose so and so for election as a member to such and such Advisory Committee'. The Hon'ble Member making the nomination must ascertain whether the Hon'ble Member he is going to nominate is willing to serve. Then it ought to be seconded by another member.

Mr. K. M. Ibrahim:— On a point of order, Sir. Regarding question No.....

Mr. President:—Question time is over.

Mr. K. M. Ibrahim:— This is a point of order which can be raised at any time.

Mr. President:— No. The Hon'ble Member can do it tomorrow at question time.
